

ANGANWADI WORKERS TRAINING CENTRE

ANNUAL REPORT 2017-18

Run By: Sadau Asom Gramya Puthibharal Santha

Anganwadi workers training centre was established in the year 2003 under the Sadau Asom Gramya Puthibharal Santha, which is a state level voluntary organization and recipient of National Youth Award from the govt. of India. The Santha is a non-political and non-communal organization and was formed on 27th January 1985.

The Santha has been conducted so many welfare schemes related to women and child development. Among the Anganwadi workers training Centre play a vital role for the development of children and women. Today the ICDS scheme is largest scheme for women and child development. The beneficiaries of the scheme are 0-6 year's children, pregnant and nursing mothers, adolescence girls and 15-45 years women who are living in below poverty line. In our training period According to Programme schedule our instructor and instructress follow the programme schedule and give the training of Anganawadi workers and helpers.

AIMS AND OBJECTIVES OF THE SCHEMES:

- ❖ To improve the nutritional and health status of children in the age group of 0-6 years.
- ❖ To lay the foundation for proper psychological, physical and social development of the child.
- ❖ To reduce the incidence of mortality, morbidity, mal-nutrition and school drop-out.
- ❖ To achieve effective co-ordination of policy and implementation amongst the various departments to promote child development.
- ❖ To enhance the capability of the mother to look after the normal health and nutritional needs of the child through proper nutrition and health education.

From 2003 year till now 67 batches of 30 days job training program of AWWs have been completed successfully and 2179 No's of trainees were trained out successfully. 44 batches of 5 days refresher training program of AWWs have been completed successfully and 1544 Nos of

trainees were trained out. 53 batches of 6 days orientation training of helpers have been completed successfully and 2462Nos of trainees were trained out.

The year 2017-2018, 2 nos. batch of 30 days job training programme of AWW's have been completed and 51 nos. of trainees were trained out and 4 batch of 6 days orientation training of helpers have been completed and 162 nos. of trainees were trained out and 9 batch of 5 days refresher training of AWW's have been completed and 318 nos. of trainees were trained out.
