

# **ANGANWADI WORKERS TRAINING CENTRE**

## **ANNUAL REPORT 2017-18**

*Run By: Sadau Asom Gramya Puthibharal Santha*

Anganwadi workers training centre was established in the 1<sup>st</sup> August 1996 under the Sadau Asom Gramya Puthibharal Santha, which is a state level voluntary organization and recipient of National Youth Award from the govt. of India. The Santha is a non-political and non-communal organization and was formed on 27<sup>th</sup> January 1985.

The Santha has been conducting so many welfare schemes related to women and child development. Among the Anganwadi workers training Centre play a vital role for the development of children and women. Today the ICDS scheme is the largest scheme for women and child development. The beneficiaries of the scheme are 0-6 year's children, pregnant and nursing mothers, adolescent girls and 15-45 years women who are living in below poverty line. In our training period according to programme schedule our instructor and instructor follow the programme schedule and give the training of Anganwadi workers and helpers.

### **AIMS AND OBJECTIVES OF THE SCHEMES:**

- ❖ To improve the nutritional and health status of children in the age group of 0-6 years.
- ❖ To lay the foundation for proper psychological, physical and social development of the child.
- ❖ To reduce the incidence of mortality, morbidity, mal-nutrition and school drop-out.
- ❖ To achieve effective co-ordination of policy and implementation amongst the various departments to promote child development.
- ❖ To enhance the capability of the mother to look after the normal health and nutritional needs of the child through proper nutrition and health education.

From 1996 year till now 76 batches of 30 days job training program of AWWs have been completed successfully and 2235 Nos of trainees were trained out successfully. 53 batches of 5 days refresher training program of AWWs have been completed successfully and 1651 Nos of

trainees were trained out. 39 batches of 6 days orientation training of helpers have been completed successfully and 1755Nos of trainees were trained out.
